Notes from the Steering Committee (SC) Meeting #18 on April 4, 2018 were reviewed and approved.

A communication via the website portal was received. The note was from a local resident who expressed concern about the proposed incinerator in Romulus and that Ovid might also be vulnerable to similar proposals.

The SC took part in a lengthy discussion related to the draft Land Use section. Necessary edits were discussed by steering committee members and noted by project consultants. Edits will be carried through to the next draft, which will be the full report.

The next meeting is scheduled for May 23rd at 6pm.

Meeting ended at 8:00 pm.
