Chairman Hubbard requested that the focus group members, who have provided email addresses, be sent steering committee minutes to keep them informed of the progress of the plan. The committee agreed and MRB Group will handle the email distributions.

Focus group meetings were discussed and committee members were brought up to date. Four group meetings have been completed and the remaining groups and their availability were discussed and dates in January were selected.

The Agricultural/Environmental and the Amish Community focus groups are scheduled for January 10th at 6PM in the training room at Town Hall/Fire Station. Connie Sowards will confirm availability of the training room with Bruce Craft. Once the training room is confirmed for the 10th, Bill Dalrymple and Connie Sowards will notify the invitees.

The Youth group is scheduled for January 3rd at 6 PM also at the training room. Rod Winkleblack will contact the youth members.

It was agreed that there will be no December steering committee meeting. Potential dates for January-March 2017 were discussed. Connie will confirm with Bruce Craft.

A revised list of dates and times for the focus group and steering committee meetings will be sent out to committee members. MRB Group will send out notification of all scheduled meetings when room availability is confirmed.
